OFFICIAL

Assistant Commissioner for Patents
 Washington, D.C. 20231

Transmittal Letter

Enclosed please find: (a) an Amendment and Response to the Office Action dated March 30, 2000, including a request for a three month extension of time; and (b) a check for \$962 in payment of the fee for the extension and the new claims. Should any further fees be necessary, the Commissioner is hereby authorized to charge counsel's deposit account, Account No. 501604, for all amounts required.

Dated: October 2, 2000

Respectfully submitted,

Morris E. Cohen

Patent Application

Assistant Commissioner for Patents
Washington, D.C. 20231

Amendment and Response

Please amend the application as follows:

In the Specification:

On page 10 line 6, please change "thermo-elastimer" to -thermoelastomer-..

In the Claims:

Please amend the pending claims and add new Claims 31- 32 as follows:

1. (Once Amended) An apparatus for use in a no-spill drinking cup, said apparatus comprising:
a valve holder, such valve holder comprising at least one valve and a blocking element, said valve comprising a flexible material, said blocking element comprising an area of material which is impenetrable to the flow of liquid, said valve further comprising a slit through said flexible
